Notes:

1. The prices displayed may be delayed by a period of 10 minutes in case the markets are open. In case the markets are closed, prices displayed will be previous trading session's closing prices.
2. NA indicates that market price is not available for the given scrip from the stock exchange concerned and does not form part of the Total Market Value of the Portfolio.
3. Please note market prices quoted above are received from National Stock Exchange (NSE) and ICICI Bank does not undertake any liability or responsibility for the details, accuracy, completeness or correct sequence of any content presented by NSE. The information is subject to change, updation, revision, verification and amendment without notice and such information may change materially. Please refer [Terms and conditions](#) for further information.

Under DEMAT section, select **E-INSTRUCTION** option from the list

This page will appear on the screen, if you have not registered for E-Instruction.

E-Instruction

e-Instruction

e-Instruction will help you to issue TIFD(Transfer Instruction for Delivery) and IDT(Inter-depository Instruction) in expanded time frames and from anywhere

- through internet on www.icicibank.com
- through phone on an user-friendly IVR (Interactive Voice Response System) thus eliminating the need to submit delivery instructions in paper form.

The above feature is in addition to the existing features on www.icicibank.com and the IVR giving information about your demat account.

To avail e-Instruction facility, you should register for e-Instruction

- Registration is required for enabling the account for e-Instruction. The registration form can be collected from and submitted to any ICICI Bank Branch offering Demat Services.
- Registration for e-Instruction is free of cost.
- As a safeguard against erroneous transfers being made to unknown accounts, by using e-Instruction, you will be able to transfer securities only to pre-notified accounts(upto a maximum of five). You will need to specify these accounts during registration. The target accounts can be one or more Beneficiary, Clearing Member or CDSL accounts.
- Target accounts can added/deleted/modified(within the limit of maximum three accounts) using the prescribed form for the same. However, the power of attorney need not be submitted again.
- The registration form(including the power of attorney) should be submitted in person by at least one of the account holder(s) who should sign in front of the branch official.
- Further, the holder presenting himself in person should make his original proof of identity(Passport, Driving Licence, Voter ID Card or IT PAN Card) available at the time of submission of the registration form for verification and submit a copy of that proof.
- In cases where the account holder(s) have given a power of attorney in the past authorizing another person for operating the account, the power of attorney for e-Instruction is required to be signed by the account holder(s) themselves.

This page will appear on the screen , if you have registered for E-Instruction.
