

We would like to draw your attention to the NSDL Circular #**NSDL/POLICY/2017/0021** dated April 12, 2017 & CDSL Circular # **CDSL/OPS/DP/POLCY/2017/176** dated April 5, 2017 whereby they have issued a notification regarding linking of Demat Accounts with Individual Aadhaar Number. Depository Participants have been advised to encourage individual clients to submit Aadhaar at the time of account opening and to make maximum efforts to get all existing individual demat accounts linked with Aadhaar.

We therefore request all our Demat Account customers to submit a written request along with a self-certified copy of Aadhaar Card for updating Aadhaar details in their demat accounts. For joint holdings, the written request must be signed by the holder whose Aadhaar is being updated.

For more details, please refer the circular available on NSDL website www.nsdl.co.in / CDSL Website <https://www.cdslindia.com/index.html> .
