## GORAKHNATH TEMPLE ATTACK

# Need to look into aspect of mental issues faced by arrested accused, says Akhilesh

EXPRESS NEWS SERVICE LUCKNOW, APRIL 6

Leader of Oppn and SP chief Akhilesh Yadav

SAMAJWADI PARTY (SP) president Akhilesh Yadav on Wednesday said that the aspect of the accused in the Gorakhnath temple attack case possibly "having psychiatric problems and bipolar [disorder] issues should be looked into", adding that the "BJP exaggerates".

Ahmed Murtaza Abbasi (29) was arrested on Sunday for his alleged involvement in the attack on Uttar Pradesh Provincial Armed Constabulary (PAC) personnel at Gorakhnath temple gate in Gorakhpur. On Monday, the UP Police had said the attack was "part of a serious conspiracy and could be called a terror incident". Speaking about the Gorakhnath temple attack at a press briefing in Kannauj, Akhilesh said, "As per the information that is coming and his (Abbasi's) father has said that he

has a psychiatric problem and bipolar [disorder] issues. I feel that aspect should be looked at. And the BJP is a party which exaggerates a lot," said Akhilesh. He was in Kannauj to meet party workers and leaders and take stock of the preparation for the upcoming MLC elections.

On speculation that his uncle and PSP (L) chief Shivalp Yadav may join the BJP, Akhilesh said, "You should not waste your time on such talk."

Speaking about job creation in the state, Akhilesh said, "It has been our demand multiple times that the government should tell how many people have been given jobs. If they are claiming five lakh jobs have been

given, then the government should tell us how many jobs were given in Kannauj and other districts... They should at least give information, and if they are not, then they are playing with data."

Alleging that the BJP is a "serial killer of democracy", he said, "SP workers and leaders have been repeatedly saying that the BJP is a serial killer of democracy. The BJP is a party which is an expert at stealing votes in a democracy. Here, many candidates could not file nomination papers. The same happened in Lakhimpur where our sisters' and mothers' clothes were torn. The way in Etah, the SP and DM have shown to be with the BJP and didn't let our candidate file nomination papers (for MLC elections). I am accompanied by our Farrukhabad candidate too. The way he was mistreated, was shown on TV and newspapers."

Akhilesh said that expecting a "fair election" from the BJP is

like cheating oneself. "Still, I believe the officials here will ensure an unbiased election," said Akhilesh.

He said the BJP should answer questions on price rise and unemployment. "The question of price rise is there. But the issue of unemployment is leaving our youths with a dark future. This is a consecutive government [of the BJP]. It should at least give jobs to youths. They are roaming here and there looking for jobs or sitting at home," said Akhilesh.

On the arrest of three journalists in connection with the paper leak of UP Board English examination (Class 12), Akhilesh said, "You should have to think about it. Even journalists are not safe. If you run a news or give some information and try to wake up the government, there is a chance that you will be sent to jail. What kind of government is this that it is sending journalists to jail."

## AYODHYA INTERNATIONAL AIRPORT

# Govt set to ink lease agreement with AAI on land transfer today

EXPRESS NEWS SERVICE LUCKNOW, APRIL 6

IN A step forward towards the development of Maryada Purushottam Shri Ram International Airport, Ayodhya, the Civil Aviation Department of the state government will on Thursday sign a lease agreement with the Airports Authority of India (AAI) regarding transfer of 317.855 acres of land for the airport project.

The lease agreement will be signed in the presence of Chief Minister Yogi Adityanath. A total of 317.855 acres of land for the airport project has been procured by the Uttar Pradesh government.

With both the Central and UP governments hoping to make Ayodhya an international tourism hub after the work on the Ram Temple has already started, the international airport is an ambitious project in that direction to boost tourism and provide air-connectivity to adjoining areas.

## The Uttar Pradesh government has acquired nearly 318 acres of land for the airport project

Although an MOU was signed in 2014 with the AAI for upgrade of the existing airport, the project could not take off. In 2019, the state government got a feasibility study conducted on the 178-acre area used for flying club activities and non-scheduled flights by small aircraft.

UP Chief Secretary Durga Shanker Mishra on Wednesday held a review meeting of "Ayodhya vision 2047" and emphasized that Ayodhya has to be developed as a clean, pollution free, water secure, water plus, solar and safe city. He said that the state government wants to develop Ayodhya as the spiritual capital of the world. To develop Ayodhya as a safe city, chief secretary also directed the officials

to pay special attention on the security of local residents and the tourist visiting there from across the world.

Chief Secretary directed the officials of the concerned departments to work with an aim to make Ayodhya water secure and cleanest city of the country in next five years. Chief secretary also asked to promote the use of pollution free electric vehicles, ply electric buses and develop roads in the city accordingly.

On his first visit to Ayodhya last week after becoming the chief minister for the second term, Yogi Adityanath had visited the Ram Temple site and reviewed the construction progress. He had also instructed the Municipal Corporation to stop the collection of house and water taxes at commercial rates from maths, temples and dharamshalas, and instead explore the option of charging some "token money". During his review meeting, the chief minister had also directed officials to hold grand celebrations of Ramnavmi in Ayodhya.

# Accused brought to Lucknow for questioning: ATS

EXPRESS NEWS SERVICE LUCKNOW, APRIL 6

THE STATE Police's Anti Terrorist Squad (ATS), which is investigating the Gorakhnath temple attack case, are trying to contact relatives and friends of arrested accused Ahmed Murtaza Abbasi to know more about his movements. Sources said the police are also trying to connect with those who Abbasi was in regular touch with since he returned from abroad

in 2016. On Wednesday, the ATS brought 29-year-old Abbasi, who is a graduate of IIT Bombay, to its headquarters in Lucknow for questioning. He is presently in police custody.

On Wednesday, the Gorakhpur police held a meeting to chalk out plans for upgrading security of the temple.

The ATS officials have seized a few articles from Abbasi's residence during a search operation on Tuesday.

The police are waiting for a report from the forensic science laboratory on Abbasi's cellphone and laptop that were seized in connection with the probe. Sources said the police have found that Abbasi used to watch "videos of radicalised people." To verify the claim of Abbasi's father that his son was under depression, the police are planning to get a psychological test of him (Abbasi) done by doctors, sources said.

Two FIRs against Abbasi have been registered at the

Gorakhnath police station. Abbasi, who hails from Gorakhpur, is booked on several charges, including attempt to murder and promoting enmity between two groups.

"On the basis of evidence collected, other charges against him will be added in the case," said a senior police officer.

On Tuesday, a team of ATS visited Abbasi's Navi Mumbai apartment where he stayed till October 2020 before returning to his native home in Gorakhpur.

# 3 of family killed as car hits bike

Mathura: Three members of a family were killed when a car hit their motorcycle on the Yamuna Expressway here on Wednesday, said officials. "While two members died on the spot, the third succumbed to injuries at a hospital," said DySP Netra Pal Singh.

Kusum (32) and her daughter Kumkum (8) were killed on the

spot, while Kusum's husband Arun Kumar (35), who was riding the motorcycle, was rushed to the district hospital where he too succumbed to his injuries after some time, said Singh.

The bodies have been sent for a post-mortem examination, said Singh, adding that the car driver has been arrested. PTI
