"We really wanted to go to Cibeles because it had been a long time since we could celebrate a title with our fans," Modric said. "We enjoyed it but as soon as it ended, we were focused on tomorrow's game.

"It was a beautiful day and that's it, the season is not over." Ancelotti confirmed that

Real Madrid defender David Alaba will miss the game through injury and will be replaced by Nacho Fernandez. But Casemiro is fit again, handing Madrid a significant boost in midfield.

'Casemiro will help us," Ancelotti said. "His return reinforces us defensively. I think we are going to see an improvement from the first leg."

Ancelotti will 'probably' retire after Real job

Real Madrid coach Carlo Ancelotti has said that he will probably" retire when he leaves the La Liga champions, but is prepared to stay at the Santiago Bernabeu for several years. The 62-year-old Italian became on Saturday the first coach in history to win all five of Europe's top leagues this season with Real, who also face Manchester City on Wednesday in their Champions

League semi-final second leg, "After Real, yes, I probably stop," Ancelotti told Prime Video in an interview partially broadcast on Tuesday.

But if Real keep me here for 10 years, I'll coach here for 10 years."The Italian is under contract with the Spanish giants until

2024, after rejoining the club for a second spell in charge last year from Everton. Ancelotti said that he wants to spend more time with his family and travel, but did not rule out potentially leading a national team at the 2026 World Cup in the United States,

Mexico and Canada. "I would like to spend time with my grandchildren, go on holiday with my wife," he added. There are so many things that I have neglected and that I
