## Ensure Safety When You Travel Abroad

The pre-paid travel card is a secure option for carrying foreign currency when you travel overseas.

### Benefits Of The Pre-Paid Travel Card

- **Safety**  
The pre-paid travel card comes with a replacement card. If you lose your card while abroad, just call up the bank that issued the card, get the card deactivate and the replacement card activated.
- **Convenience**  
Shop using the card or withdraw money in local currency from ATMs -- 24x7 in any country.
- **Shop online**  
Use the card to buy air tickets, make hotel bookings and shop online, when abroad.
- **Customer Service**  
Banks that offer pre-paid travel cards usually offer 24-hr customer service, an international toll-free number, SMS alerts, tracking of transactions, etc. to make your experience hassle-free.

Pre-paid travel cards are available with leading banks and full-fledged money-changers (FFMC's).
