Note: Bench Mark Rate for the Facility:

\*"Repo Rate" or "Policy Repo Rate" means the rate of interest published by the Reserve Bank of India ("RBI") on the RBI website from time to time as Repo Rate or Policy Repo Rate.

The Borrower shall be deemed to have notice of changes in the Repo Rate when displayed on the notice board of the Branch or displayed on Bank's website (www.icicibank.com) and the Borrower is liable to pay such revised rate of interest.

Interest Rate applicable to the Facility shall be calculated on the basis of Repo Rate prevailing on the date of conversion of the Facility and thereafter on the basis of the Repo Rate prevailing on each Reset Date.

## Reset Date & Reset Period

The Repo Rate component of the Interest Rate will be reset on the first day of the third subsequent month from the month in which the Facility is first disbursed (irrespective of the date of disbursement) and every three months thereafter, as a sum of Repo Rate + "Spread", plus applicable statutory levy, if any. The applicable Repo Rate shall be the rate prevailing one Business Day preceding the reset date. \*\*

\*\* Illustration: For first disbursements made in the month of October 2019 under the facilities sanctioned by the Bank, the first reset date will be January 1, 2020 and thereafter on April 1, 2020 and so on.

The Bank reserves the right to modify the reset frequency and reset date from time to time in accordance with the extant RBI Guidelines. The Borrower further acknowledges that Interest Rate may change, upward or downwards, as the case may be, in line with change in the Repo Rate.

The Bank may revise the Spread once every three (3) years from the date of the first disbursement, in accordance with the extant RBI Guidelines. Notwithstanding anything contained herein, the Bank reserves the right to reset the Spread at any time upon substantial change in the Borrower's credit assessment and/ or on account of deterioration in the credit risk profile. Any change in 'Spread' would be communicated by the Bank through either: (i) Letter (ii) E-Mail (iii) SMS (iv) Statements of Accounts (v) WhatsApp or any other suitable mode.

- (i) During the period when fixed rate is applicable, interest shall be computed as specified in the table above.
- (ii) Once it gets converted into an Interest Rate, applicable Interest Rate shall be the sum of Repo Rate, prevailing on the date of conversion to Interest Rate and spread as specified in the table above plus applicable interest tax or other statutory levy, if any.
- (iii) Thereafter, the Interest Rate shall be reset on the Reset Date, as a sum of Repo Rate plus spread, and applicable interest tax or other statutory levy, if any.
